## What is Nonviolent Crisis Intervention Training?

This Introductory Level Training Program consists of crisis intervention techniques, both verbal and physical, that provide care, welfare, safety and security for everyone involved in a crisis situation. The goal of this program is to teach foster parents proactive strategies ~ to prevent a crisis from escalating ~ with an emphasis on communication skills.

## BASIC PROGRAM

The Basic Program is for foster parents who have not taken NVCi before or whose NVCi certification has expired (more than 13 months since last certification) and they are required to repeat the Basic program. This introductory program consists of twelve hours of training over a 2 day period.

## Mission Statement

**The Federation of Foster Families of Nova Scotia is a collective voice for all foster parents in Nova Scotia. In pursuit of this mission, the Federation will ensure assistance and support for foster families and Foster Family Associations.**

### Land Acknowledgement

We would like to acknowledge that we are in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq People. This territory is covered by the "Treaties of Peace and Friendship" which Mi'kmaq Wəlastəkwewiyik (Maliseet), and Passamaquoddy Peoples first signed with the British Crown in 1726.

The treaties did not deal with surrender of lands and resources, but in fact recognized Mi'kmaq and Wəlastəkwewiyik (Maliseet) title and established the rules for what was to be an ongoing relationship between nations.

Additionally, we would like to acknowledge that within Nova Scotia, people of African ancestry settled and contributed to the building of many formative developments, particularly in the 18th and 19th centuries; this includes the Black Loyalists who fought on the side of Britain during the American War of Independence, the Maroons, who fought and never surrendered to the Spanish and British in Jamaica and Southern American Black Refugees, who fought on the side of the British during the War of 1812.
