## Nonviolent Crisis Intervention -

### Refresher Program

The Refresher Program is for foster parents who have taken the BASIC or Refresher program and are now due for their yearly review and update (not more than 13 months since last certification). The annual Refresher program consists of 6 hours of training.

By participating in this year's Refresher program, you will have the opportunity to:

- Develop a greater understanding of course concepts
- Problem solve and strengthen crisis intervention skills
- Receive additional supporting information
- Demonstrate ability and confidence in applying course content and skills to real - life fostering experiences.

## Mission Statement

**The Federation of Foster Families of Nova Scotia is a collective voice for all foster parents in Nova Scotia. In pursuit of this mission, the Federation will ensure assistance and support for foster families and Foster Family Associations.**

### Land Acknowledgement

We would like to acknowledge that we are in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq People.

This territory is covered by the "Treaties of Peace and Friendship" which Mi'kmaq Wəlastəkweyiyik (Maliseet), and Passamaquoddy Peoples first signed with the British Crown in 1726. The treaties did not deal with surrender of lands and resources, but in fact recognized Mi'kmaq and Wəlastəkweyiyik (Maliseet) title and established the rules for what was to be an ongoing relationship-between nations.

Additionally, we would like to acknowledge that within Nova Scotia, people of African ancestry settled and contributed to the building of many formative developments, particularly in the 18th and 19th centuries; this includes the Black Loyalists who fought on the side of Britain during the American War of Independence, the Maroons, who fought and never surrendered to the Spanish and British in Jamaica and Southern American Black Refugees, who fought on the side of the British during the War of 1812.
